### Restorative Justice Conference Facilitation Training

Our three day Restorative Justice Conference Facilitation training will enable delegates to build the necessary skills to use formal restorative justice conference facilitation to resolve conflict and repair harm. We explore the need for restorative language and how a shared vocabulary can build communication skills. Delegates also have the opportunity to look at how to use restorative circles and informal restorative chats to create a positive learning environment rich in emotional literacy and conflict resolution skills. Content includes:

#### Restorative Approaches What, Why & How?

- Shared language
- Use of restorative circles
- Building community
- Developing responsibility & accountability
- Stakeholders in restorative community
- Fair process
- Strategic planning – action plans, monitoring, referral process, policy

#### Restorative Justice Conferencing What, Why & How?

- Positive outcomes from Conferencing
- Conference preparation
- Conference process
- Conference follow up
- Conference theory, shame and affects
- Appropriate conferencing
